Enforcer Pack

This pack is available on all of the above models, it includes chin bar (or baulk gate set), weigh floor, UV grips and either black "Enforcer" decals or if it is painted an upgrade to a satin powder coated finish (black only with silver decals). The price of this pack is available from your nearest stockist or call 13 003 SUPER (78737) for more details.

Optional Extras

- 5 Year on Farm Warranty This comes standard on three (3) of our models, or you can purchase the upgrade - please refer the rural price list.
- Floor A checker plate floor can be fitted to any of the above crushes - please refer the rural price list for more information.
- Chin Bar This newly designed Super Chin Bar is easy to use and is not only designed tough, it's also built tough in our own Brisbane factory.
- UV Grips to Slam Latches These can be purchased as an easy add on, because at Super Ag we make "rural products that make a difference".
- Baulk Gates There are two (2) designs available, a standard duty "Rhs" type and a heavy duty "Rhs & Oval rail" type - see the rural products gallery for images.
- Scales (Weigh) P.O.A
